

Dear Concours d'Elegance Enthusiast,

We would like to take this opportunity to invite you to submit a vehicle for consideration in the Dayton Concours d'Elegance at Carillon Park on Sunday, September 20, 2026.

We are celebrating Pontiac's 100th Anniversary and 50 years of the BMW 3 Series. Enclosed, you will find all of the necessary information to pre-register an automobile or motorcycle for the nineteenth annual event.

This document contains:

- Vehicle eligibility guidelines
- Owner information form
- Vehicle information form
- Registration package options
- Preview Party information
- Hotel Accommodations
- Payment options

Acceptance will be based on the quality and significance of the vehicle, and the class will be assigned by the Selection Committee. Entries that are not accepted will have any registration fees returned. Please complete the vehicle and owner information portion of this document, including the marque and vehicle-specific description, which will be used to create a unique sign to be placed in front of each vehicle on display. Return the form to the Selection Committee no later than August 1, 2026.

In addition to Sunday's Concours, the weekend also features a Saturday evening Preview Party. Sponsored by TJH Collections, the evening will include entertainment, food, cocktails, an automotive art pavilion, and a silent auction.

Participate Saturday morning in the Dayton Concours Tour d'Elegance, a casual road tour to America's Packard Museum & classic luncheon on Saturday. Go to daytonconcourstour.com for details & registration form.

All proceeds from the weekend benefit Dayton History, which operates Carillon Historical Park, Hawthorn Hill, the Patterson Homestead, and the downtown Archive Center.

Exceptions include...

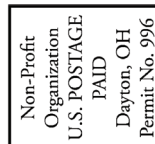

- Vehicles in the "Preservation" class must be un-restored and have all original paint, chrome, upholstery & parts except for normal wear-and-tear items such as brake shoes, hoses, belts, wiper blades, spark plugs, bulbs, and tires
- Hot Rods & Street Rods are highly modified vehicles that celebrate automotive creativity and must be unique, representative examples
